Linda's Legacy: 2023 Benefit Celebrating Linda Dishman's 31 Years of Leadership Saving L.A.'s History for the Future

Sunday, November 5, Vibiana, Downtown Los Angeles

Cocktail Reception: 5:00 – 7:00 pm, Sponsor Dinner: 7:00 – 9:00 pm

The former Cathedral of St. Vibiana, now known simply as Vibiana, opened in 1876, and was designed by architect Ezra F. Kysor, one of Los Angeles' first practicing architects. **Vibiana was one of the Conservancy's toughest battles and greatest victories.** A decade-long preservation effort led by the Los Angeles Conservancy saved the deconsecrated cathedral from demolition and helped facilitate its adaptive reuse as the lovely event space where we are gathering to honor Linda, and her leadership in preserving Los Angeles' historic places for future generations.

The event will be held on **Sunday, November 5**, with a festive cocktail and hors d'oeuvres reception followed by a sponsor dinner celebrating Linda's leadership in saving this and many other of our region's significant historic properties.

Here are the details:

- The cocktail portion of the event will take place from 5 p.m. to 7 p.m. Tickets for the reception are \$500 apiece. In addition, the dinner will take place from 7 p.m. to 9 p.m., with dinner sponsorships beginning at \$2,500 per person (including the cocktail reception).
- A rare opportunity to tour Vibiana's historic rectory building before dinner is available to a limited number of VIP dinner sponsors at a special per person rate of \$3,100 (in recognition of Linda's 31 years of service to the community; includes cocktails, dinner, and a digital tribute ad).

Purchase tickets or sponsorships online at laconservancy.org/benefit2023.
